

NOW is Your Time to Share!

Please review and submit proposals for presentations to the June 2021 GOVERN for IMPACT Annual Learning and Sharing Conference

We are developing our Educational Tracks for the GOVERN for IMPACT June 2021 Conference (June 17 to 19). The Conference Theme: **Values to Impact Through Transformational Board Governance.**

We would love for you to consider presenting at a session or working with others to lead a panel discussion. For the time being we are asking your collaboration in building out the **Policy Governance Fundamentals Educational Track.** Of course, we welcome ideas that you might have to present. We also encourage you to encourage others to lead a session.

Provide a one paragraph summary of your idea and contact information by January 6, 2021.

The Conference Program Team looks forward to potentially working with you and learning from you.

Ted Humphrey
Conference Program Team Leader

Fundamentals of Policy Governance (Track #1)

1. **Topic: Ownership**
Title: "Identifying and Linking to Owners: Where do your values come from?"
2. **Topic: Ends**
