Description

Bergen and Moore have combined their years of experience in applying the Policy Governance model to school boards in a novel.

Follow the adventure so Anthony Reyes, Chair of the Norcrest School Board, as he is introduced to a better way of governing. The board engages on a learning journey as it moves to adopt Policy Governance as the model for governing the school district.

An interesting novel to teach the elements of the Policy Governance model, Accompanied by two study guides – one for readers new to Policy Governance and one for readers already using Policy Governance.
